2020

For the first time in Triton's history,
the 2020 season will encompass a
PLAYER OF THE YEAR (POY) AWARD.

The Triton Poker Series PoY program is
independent of any other related poker rankings,
and to compete for the honour of being the PoY,
you must compete in Triton Poker Series live tournaments.

Terms and Conditions:

1. Triton Poker Series Player of the Year is a program independent from any other related poker rankings.
2. Triton reserves all the rights to the formula created for the purposes of the POY program.
3. In order to join the POY competition you must participate in Triton Poker Series live tournaments.
4. There will be total of four stops in the 2020 season where players will be eligible to collect the points. In case of another stop being added to Triton 2020 Schedule, players will be notified about it at the earliest possible time, approximately two months in advance.
5. The first stop introducing Triton POY program is going to be Triton Poker Series Jeju in February 2020.
6. Players are not allowed to pass their own POY points to others at any circumstances.

If any of the above occur, Triton reserves the right of the Tournament Director's discretion. This will be announced on time to all players with the sole criteria of fairness of the POY program towards players.
10. Triton reserves the right to adjust the above conditions in protection of the integrity and fairness of the Triton POY program.
